

# TWOGISTATES History

TWOGISTATES Publishers is the publishing contingent of Carl Graham Ministries. It is an acronym taken from a shortened sentence in Hebrews 4:12.

“For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.”

The first part of the verse was shortened to, “the word of god is sharper than any two edged sword.” Some words were dropped out and twoedged was extended into two words, two edged. The first letter of each word was then used to form the acronym TWOGISTATES.

Carl Graham is currently serving as the Pastor of Harmony Baptist Church in BunnLevel, North Carolina. He has served in various churches in North Carolina since 1982. Prior to this time He had a full career in the Air Force having served 30 years before retiring.

Carl is committed to the authority of the King James Bible and the traditional Baptist way of worship. He is convinced that the modern Bibles and contemporary styles of worship not only lead people further away from God, but have the opposite effect in that it leaves many with a false sense of salvation and eventually hell.

The Bible is our only source for knowing what God would have us to do, how to approach Him, and how to live a life befitting to one He has saved. The Bible is not for professing Christians to pick and choose from, it is the living Word of God, it never changes, and God does not change with each generation. It has been providentially preserved by God, and every word must be accepted as inspired, ever precept must be applied to the Christian’s life, and anyone who says different does not believe God as He describes Himself.

TWOGISTATES Publishers is committed to the truths of God’s Word. We do not accept changes to the Bible, compromise with the world, or deviate from the plain Gospel of Jesus Christ.

Changing the world is not the intent of TWOGISTATES Publishers, but only to inform those who are seeking answers to the many discrepancies found in the modern versions of the Bible. It is hopeful that the information in this web site will help in some small way to strengthen the reader’s faith in the one and only true English Bible, the King James Version.
